My dear Mr. Forman

Upon the receipt of the Power of Attorny I wrote to you asking your advice: but not having received an answer, I suppose my letter did not reached you.

The Power will be sent to Mess. Trudgate tomorow, I imagine all is right. I inclose you the life Certificate for the nept three months and beg to apologize for troubling you.

With kind remembrances
I remain yours very sincerely
Fanny Keats de Llanos

P. S. I should be greatly obliged to Mrs. Forman if she would purchase for me a white muslin

widow's cap, of the shape at present in use, and pack it in a small pasteboard case directed to me, and left at the house of the Spanish Embassy, Portland Place. I dont know the number.
